To Whom It May Concern:

On Behalf of Comren, Inc., Management team. We are very pleased to have worked with Bayline Demolition on five of our Hotel Projects during the past two years in the San Francisco Bay Area. They are timely, well managed and efficient providing the quality work, cleanliness and performance we expect from all our sub –contractors; paying close attention to our clients' expectations in not disturbing guests during the demolition process. We look forward to continue working with Bayline Demolition on future projects.

Respectfully submitted,
