To whom it may concern

On behalf of the Marriott management team at the Marriott SFO A/P hotel. We are very pleased with the performance of Bayline demolition. They performed a soft and heavy demolition in two consecutive projects very professionally and on schedule. With Mr. Scott overlooking the project and their project manager Mr. Pedro gave us the best quality and performance. They never left the site before touching base with the management.

We would use Bayline demolition for our future projects.
