SUBJECT: Bayline Demolition

To Whom It May Concern:

We have used Bayline Demolition exclusively for all of our demolition needs for the past 15 years. We would not consider using anyone else. Their service is excellent, their pricing is excellent, they leave a site picked up and neat, they show up when they say they will, they finish when they say they will, and they are pleasant to work with. What else is there?

They have done very small jobs and very large jobs with the same intensity and cooperative spirit. They are one of our best subcontractors.

Please feel free to contact me with any questions.

Sincerely
TFMcGUCKIN, INC
